Celebrating 170 Years!

On May 12, 1854, the Swedish Evangelical Lutheran Congregation of Chisago Lake was officially organized at a congregation meeting presided over by The Reverend Erland Carlsson of Chicago as he traveled through the area. This congregation is now known to you as Chisago Lake Lutheran Church! We recall and honor how this congregation began with the dreams of those stepping out in faith to a new and different life and place. They brought with them their faith and love of Christ binding them together as a community. Please join us as we celebrate these 170 years of faith and ministry here in the Chisago Lake area!
